## Specification Sheet

### PRODUCT INFORMATION

**Product:** Camu Camu Dry Powder 40% Vit. C  
**Process:** Pulping, Filtration, Homogenization, Pasteurization & Spray Drying  
**Ingredients:** Camu camu, Maltodextrin, Ascorbic acid & Citric acid  
**Origin Appearance:** Light Pink to Pink  
**Botanical Source:** *Myrciaria dubia*  
**Origin:** Brazil  
**Colorant:** Beet Root  
**Irradiation:** Free  
**Application:** Beverages, dietary supplements, frozen desserts, confectionery products, animal feed, and related food products  
**Note:** Color may vary due to natural factors that affect the pigments in the botanical source

**Code:** XX80249  
**Ratio:** 2-3:1 (fruit: powder)  
**Family:** Myrtaceae  
**Used Part:** Fruit  
**Solvent:** Water  
**GMO:** Free

### ANALYSES DATA

#### Physical/Chemical Analyses

| Assay                 | Limit/Specification    | Test Method |
|-----------------------|------------------------|-------------|
| Appearance            | Fine Hygroscopic Power | IT-17       |
| Color                 | Light Pink to Pink     | IT-17       |
| Flavor/Odor           | Characteristic         | IT-17       |
| Particle Size         | Pass 90% 60 mesh       | Visual      |
| Moisture (%)          | Max 6%                 | IT-16       |
| pH at 25°C            | 2.5-3.5                | IT-12       |
| Solubility (in water) | Soluble                | Visual      |
| Density (g/mL)        | .550-.650              | IT-14       |
| Vit. C                | Min. 40%               | IT-20       |

#### Microbiological Analyses

| Assay                | Limit/Specification | Test Method          |
|----------------------|---------------------|----------------------|
| Standard Plate Count | <3,000 CFU/g        | AOAC 990.12          |
| Coliforms            | <100 CFU/g          | AFNOR 3M 01/2-09/89C |
| Escherichia coli     | Absent              | AOAC 991.14          |
| Yeast/Mold           | <100 CFU/g          | AOAC 997.02          |

|                       |               |              |
|-----------------------|---------------|--------------|
| Staphylococcus aureus | Absent        | AOAC 2003.11 |
| Salmonella sp         | Absent in 25g | AOAC 2014.01 |
| Enterobacteria        | Absent        | AOAC 2003.01 |

### Heavy Metal Analyses

| Assay   | Limit/Specification | Test Method |
|---------|---------------------|-------------|
| Arsenic | < 1 ppm             | MTFQ-003    |
| Lead    | < 1 ppm             | MTFQ-003    |
| Mercury | < 1 ppm             | MTFQ-085    |
| Cadmium | < 1 ppm             | MTFQ-003    |

## REGULATORY INFORMATION DATASHEET

### Allergens/Hypersensitives

|                                                         |                                                                                          |             |
|---------------------------------------------------------|------------------------------------------------------------------------------------------|-------------|
| <b>Cereals containing gluten</b>                        | Wheat and products thereof (1,2,3,4)*                                                    | Not contain |
|                                                         | Rye and products thereof (1,3,4)*                                                        | Not contain |
|                                                         | Barley and products thereof (1,3,4)*                                                     | Not contain |
|                                                         | Oatmeal and products thereof (1,3,4)*                                                    | Not contain |
|                                                         | Hybridized strains (1,3,4)*                                                              | Not contain |
| Crustaceans and products thereof (1,2,3,4)*             |                                                                                          | Not contain |
| Egg and products thereof (1,2,3,4)*                     |                                                                                          | Not contain |
| Fish and products thereof (1,2,3,4)*                    |                                                                                          | Not contain |
| Peanut and products thereof (1,2,3,4)*                  |                                                                                          | Not contain |
| Soybeans and products thereof (1,2,3,4)*                |                                                                                          | Not contain |
| Milk and products thereof including Lactose (1,2,3,4)*  |                                                                                          | Not contain |
| <b>Chestnuts, Walnuts, Almonds and products thereof</b> | Chestnut (Castanea spp) (1,2,4)*                                                         | Not contain |
|                                                         | Chiquapin (Castanea pumila) (2)*                                                         | Not contain |
|                                                         | Almond (Pruns dulcis,sin.) (1,2)* (Prunus amygdalus) (1)* (Amygdalus aommunis L.) (1,3)* | Not contain |
|                                                         | Hazelnut (Corylus spp.) (1,2)* (Amygdalus communis L.) (3)*                              | Not contain |
|                                                         | Cashew nut (Anacardium coccidentale (1,2,3)*                                             | Not contain |
|                                                         | Brazil nut (Bertholletia excelsa) (1,2,3)*                                               | Not contain |
|                                                         | Macadamia (Macadamia spp.) (1,2)* (Macadamia ternifolia) (3)*                            | Not contain |

### Statements & Certificates

|                                       |                                                  |
|---------------------------------------|--------------------------------------------------|
| Suitable for Vegetarians? (lacto-ovo) | Yes                                              |
| Suitable for Vegans                   | Yes                                              |
| KOSHER CERTIFIED                      | Yes, but available upon request                  |
| HALAL CERTIFIED                       | No, but available upon request w/ additional fee |

### GMO Status

The source materials used in the production of Camu camu are not derived from genetically modified organisms. In the manufacturing of Camu camu there are no processing aids (such as enzymes) which are derived from genetically modified organisms.

### SHELF LIFE

24 months from manufacture if stored unopened in a dry, covered, ventilated place.

Rev: 0

Date of Issue:12/3/2025

### PACKAGING & SHIPPING

The product is packed in polyethylene bags as primary packaging and placed in barrels or multi-layer paper sacks for secondary packaging with a net weight of 25 kg. Loads are palletized and secured with stretch film. Store the product in a dry, well-ventilated, covered area, away from items with strong odors. Each pallet and shipment must be clearly labeled and accompanied by a certificate of analysis showing lot number, manufacture date, shelf life, and test results.

### NUTRITIONAL INFORMATION

Serving size: 20g (2 soup spoon)

| Amount per serving                                                                                                                        |       | % DV(*) |
